**\$500 REWARD**  
Offered by the manufac-  
turers of Dr. Sage's Catar-  
rhea Remedy, for a case of Ca-  
tarrah in the Head which  
they cannot cure.

**SYMPOTOMS OF CATARRH**—Dull, heavy  
headache, obstruction of the nasal passages,  
discharges falling from the head into the throat,  
sometimes profuse, watery, and acrid; others,  
thick, tenacious, mucus; the nose is often  
not in the least affected; there is a ringing  
in the ears, dentines, lachrymation,  
coughing to clear the throat, expectoration of  
offensive matter, together with a hoarse voice;  
the skin is pale, dry, and hot; the tongue  
is dry, the breath is offensive; smell and  
taste are impaired, there is a sensation of dizz-  
iness, with mental depression, a hacking cough  
and general debility. Only a few cases are  
so severe as to be present in  
any one case. Thousands of cases annually,  
without involving half of the above sym-  
ptoms, result in consumption and end in the  
grave. This disease is so common, more de-  
scriptive and dangerous, or less understood by phys-  
icians.

By its mild, soothing and healing properties,  
Dr. Sage's Catarrah Remedy cures the worst  
cases of Catarrh, "Cold in the Head,"  
"Tetra," "Intestinal Headache."

### Untold Agony from Catarrh

Prof. W. HAGENBERG, the famous mesmerist,  
of Utica, N.Y., writes: "Some ten years ago I  
suffered until agony from chronic nasal catarrh.  
My family physician gave me up as  
incurable, and said I must die. My case was  
so bad that I could not sleep at night, and during  
the day, towards sunset, my voice would become so hoarse I could  
not speak above a whisper. The morning  
I coughing and clearing my throat would  
almost strangle. So I took Dr. Sage's  
Catarrah Remedy, in three months, I was a well  
man, and the cure has been permanent."

### Constantly Hawking and Spitting

THOMAS J. RUSKIN, Esq., 202 Pine Street,  
St. Louis, Mo., writes: "I have suffered  
from Catarrh for three years. At times I could  
hardly breathe and was constantly hawking  
and spitting, and for the last eight months could  
not breathe through the nostrils. I thought  
nothing could cure it, but Dr. Sage's  
Catarrah Remedy. In three months, I was a well  
man, and the cure has been permanent."

A complete Treatise on Catarrh, giving valuable  
hints as to clothing, diet and other matters  
of importance, will be mailed, post-paid to any
